The Parque Romántico is a small complex in a quiet area of Playa del Inglés. The establishment has a Canarian vegetation with old palms and bungalows of various colors. There are two parks, the large park with the reception and the small park (they are divided by a street) . Both areas offer a heated outdoor pool during the winter season.

Here you can enjoy a holiday alone, with your family or as a couple in one of our cozy bungalows. The beach promenade is just a few meters from the spectacular Maspalomas Dunes.

Bungalows

There are a total of 80 igloo-shaped bungalows which are divided between 1 or 2 bedroom bungalows. All offer a fully equipped open plan kitchen, a bathroom with shower or bathtub and a spacious and furnished terrace, perfect for breakfast, lunch or dinner outdoors. Do not hesitate to let us know if you are traveling with a baby to offer you a cot, changing table and a special baby bathtub in the bungalow.

Gastronomy

Most of our guests usually book in Accommodation only, but we also have the option of Half Board if you book on our website. We have a small a la carte restaurant with a terrace next to a play area for the little guests.

Entertainment

We have three renovated tennis courts (with charge) and at the reception you can rent equipment to play tennis or even the option to be able to receive lessons from the tennis club. We also have two playgrounds for childrens. There are two swimming pools in each park and a children's pool located in the large park.
